

LIFE EXPERIENCE CREDITS

Did you know that you can earn college credits based on the learning that you have received from your Life Experience?

Calumet College of St. Joseph's LEAP program can show you how. The LEAP workshop will provide you with the tools needed to complete the portfolio process.

You may earn up to 30 credit hours through the LEAP process. Credits may apply to elective hours or in some cases general education requirements. Accelerated Program core courses may not be completed through the LEAP process.

To find out more about the LEAP process, attend a free workshop. The dates for this semester's workshops are listed below. Please call the Office of Admissions at: 219-473-4209 or 877-700-9100 ext. 209 to reserve a seat in the workshop of your choice.
