Calumet College of Saint Joseph Dance Camp

Our camp provides a foundation for young dancers to develop and improve their dance techniques. We welcome all ability levels, and provide a positive, encouraging teaching environment to learn and have fun. We will provide the tools to become a better dancer and help stimulate enthusiasm for the art. We look forward to seeing you this summer!

The brand new Alumni Court on the campus of Calumet College of Saint Joseph will be the site of the 2010 Crimson Wave Dance Camp. The building that opened in August of 2009 features a full hard wood floor and plenty of space to work on large routines. The gym is also equipped with a great sound system making routines more exciting.
