All Proceeds benefit the Crimson Wave Athletic Department

Thank you for your continued support of Calumet College of St. Joseph Crimson Wave Athletics.

Past funds generated from the golf outing have enabled us to purchase new equipment for the weight room, trainer's room as well as video equipment and other athletic department needs.

With 200 student athletes competing on 18 teams, we are hoping to add to our facilities and equipment this year.

Currently we are in a capital campaign to build an athletic/student activity center. We would like to add YOU to our team roster.

For information on the campaign and the athletic department, please contact Andy Juscik or the Development Office.
