REVAMPING OUR STUDY/MEETING ROOM

The Specker Library recently remodeled and added new technology to it's study/meeting room. The room now has a television, a computer, a VCR/DVD player, and a table accommodating up to six people.

Faculty or staff are all welcome to use this room for private study or group discussion. Please reserve the room ahead of time by contacting our circulation desk at 219-473-4373.

OUR NEW INTERLIBRARY LOAN PROCESS

The Specker Library is able to borrow items on behalf of students and faculty from other libraries through interlibrary loan. Students or faculty can request items in two ways.

To request an item (book, article, etc.) directly, go to the library website and fill out the form located under the "Interlibrary Loan" link (see right). If approved, a book will usually come to the library within 7-14 days. Articles will be sent to you via email once they are received by the library.
