Course Information

Course Time:	Lecture: Mon & Wed 10:15a to 11:45a	Lab: Tues 8:00am – 10:00am
Classroom:	Room 334	
Prerequisites:	C or better in, BIOL 115 and BIOL 115L and concurrent enrollment in EXSS 435L.	
Required Books and Materials:	Manual of Structural Kinesiology, 20 th Edition, 2018, McGraw Hill Publishing. ISBN: 9781259870439	
Learning Outcomes/Competencies:		
<ol style="list-style-type: none"> 1. Define accurately the terminology associated with kinesiology. 2. Describe osteokinematic movements using appropriate terminology. 3. Explain clearly the function, composition and structure of bone. 4. Delineate precisely the types of joints by structure and function. 5. Recognize correctly the planes and axis of joint movement. 6. Differentiate accurately between osteokinematic and arthrokinematic motions of a given joint. 7. Distinguish correctly between open and closed kinetic chain activities and exercises. 		

8. Identify accurately the bones and bony landmarks of the upper extremities, lower extremities, head and trunk.
9. Explain clearly the structures, function and normal movement patterns of the joints of the upper extremities, lower extremities, head and trunk.
10. Recall accurately the attachments, actions and innervation of the muscles of the upper extremities, lower extremities, head and trunk.
11. Correctly recognize the common pathologies of joints and related structures seen in physical therapy settings.
12. Accurately define the terminology necessary to analyze gait.
13. Accurately assess how joint or muscle limitations will affect the normal gait cycle.

This course meets the following Kinesiology Program Objectives:

- Describe the underlying scientific foundations of physical activity.
- Evaluate information about physical activity from scientific basis.
- Describe the relationship between physical activity participation and health, wellness, and quality of life.
- Demonstrate knowledge of current physical activity guidelines and recommendations.
- Design and evaluate physical activity programs that promote health and improve quality of life.

Course Description:

3 Credit Hours. A neuropsychological study of movement that integrates the central and peripheral nervous system mechanisms with those of the muscular system. These principles are applied to promoting the enhancement of skill acquisition and human performance.

Learning Strategies:

Active learning, Blackboard, group discussions, collaborative learning, laboratory exercises, demonstrations.

Experiential Learning Opportunities:

This course has a required laboratory portion that provides students with experiential learning through experimental design, hypothesis development, and data interpretation.

Assessments:

Major Assignments:	Online Chapter Homework In-Class Work/Activities	20% of total grade 40% of total grade

Responsibilities

<p>Attending Class</p>	<p>General Absences You cannot succeed in this class if you do not attend. We believe that intellectual growth and success in higher education occur through interaction in the classroom and laboratories. In all things, communication is KEY. All planned and unplanned absences must be communicated to your instructor via email with a brief explanation.</p> <p>Attendance and Your Grade Missing class will have a negative effect on your final grade. You are allowed no more than 3 absences with no change in your grade, so long as each absence is properly communicated <i>ahead of time</i>. Additional absences will drop your final grade by 0.3 grade points.</p> <p>Example:</p> <ul style="list-style-type: none"> • Final grade in class: A GPA: 4.0 • Final attendance record: 4 total absences for the semester • Adjusted Final grade in class: A- GPA: 3.7 <p>Absence due to college events We do not want to penalize students for participating in college-sponsored events. When you miss class because of a college event, you must give notice of your absence in advance and you are responsible for all missed work.</p>
<p>Turning In Your Work</p>	<p>You cannot succeed in this class if you do not turn in all your work on the day it is due.</p> <p>Missing Assignments 15% will be deducted from all assignments turned in after the due date posted on Blackboard. Late work will receive a grade of no higher than 85%. No late work will be accepted after the dates posted on the syllabus. See syllabus for dates to plan-ahead.</p> <p>Missing Exams All exams are required in order to complete this course. You must take all exams in order for a low score to be dropped (if applicable). If you are absent on exam day, you must email the instructor by the end of the week to schedule your make-up exam. 15% will be deducted from all make-up exams.</p>
<p>Meeting Standards for Classroom Behavior</p>	<ul style="list-style-type: none"> • Use all the class time. Come to class on time and stay in class until the end. Coming late, leaving early, and getting up during class disrupts the class and disrespects others. • Come prepared. Bring your texts, be prepared to take notes, and be able to demonstrate that you have completed the assignments for the day through your participation in class. • Respect others. Listen when your classmates and the instructor are speaking. Think about their contributions. Respond appropriately. • Use electronic devices only for class purposes. Engage with your classmates and the instructor without technological distractions. Headphones and cellphones should remain in your bags during class time. Students who appear to be constantly distracted by their electronic devices will be marked absent. (See attendance policy for information on attendance and your grade.)

CCSJ Student Honor Code	<p>This course asks students to reaffirm the CCSJ Student Honor Code:</p> <p>I, as a student member of the Calumet College academic community, in accordance with the college's mission and in a spirit of mutual respect, pledge to:</p> <ul style="list-style-type: none"> • Continuously embrace honesty and curiosity in the pursuit of my educational goals; • Avoid all behaviors that could impede or distract from the academic progress of myself or other members of my community; • Do my own work with integrity at all times, in accordance with syllabi, and without giving or receiving inappropriate aid; • Do my utmost to act with commitment, inside and outside of class, to the goals and mission of Calumet College of St. Joseph.
Doing Your Own Work	<p>If you turn in work that is not your own, you are subject to judicial review, and these procedures can be found in the College Catalog and the Student Planner. The maximum penalty for any form of academic dishonesty is dismissal from the College.</p> <p>Using standard citation guidelines, such as MLA or APA format, to document sources avoids plagiarism. The Library has reference copies of each of these manuals, and there are brief checklists in your Student Handbook and Planner.</p> <p>PLEASE NOTE: All papers may be electronically checked for plagiarism.</p>
Sharing Your Class Experience	<p>Your voice matters! At the end of the term, you will have the opportunity to evaluate your classroom experience. These confidential surveys are essential to our ongoing efforts to ensure that you have a great experience that leaves you well prepared for your future. Take the time to complete your course evaluations – we value your feedback!</p>
Withdrawing from Class	<p>After the last day established for class changes has passed (see the College calendar), you may withdraw from a course by following the policy outlined in the CCSJ Course Catalog.</p>

Resources

CCSJ Book Rental Program	<p>The CCSJ Book Program ensures that everyone has the right course materials on the first day of class to be successful. You pay a book rental fee each semester, and in return, receive all the materials for all your classes prior to the beginning of classes. At the end of the semester, simply return the books. For traditional students, the Book Rental Program is conveniently located in the library, where students can pick up and return their books. For students in accelerated programs and graduate programs, books will be delivered to their homes and they can return them by mail. For more information, see http://www.ccsj.edu/bookstore. All books must be returned at the end of the semester or you will incur additional fees, which will be charged to your student account.</p>
Student Success Center:	<p>The Student Success Center provides faculty tutors at all levels to help you master specific subjects and develop effective learning skills. It is open to all students at no charge. You can contact the Student Success Center at 219 473-4287 or stop by the Library.</p>
Disability Services:	<p>Disability Services strives to meet the needs of all students by providing academic services in accordance with Americans with Disabilities Act (ADA) guidelines. If you believe that you need a “reasonable accommodation” because of a disability, contact the Disability Services Coordinator at 219-473-4349.</p>
Student Assistance Program	<p>Through a partnership with Crown Counseling, Calumet College of St. Joseph provides a free Student Assistance Program (SAP) to current students. The SAP is a confidential counseling service provided to students for personal and school concerns which may be interfering with academic performance and/or quality of life. The SAP counselor is available on campus once a week and off-site at the Crown Counseling offices in Crown Point or Hammond. For more information, contact Kerry Knowles SAP Counselor, at 219-663-6353 (office), 219-413-3702 (cell), or kerryk@crowncounseling.org.</p>
CCSJ Alerts:	<p>Calumet College of St. Joseph’s emergency communications system will tell you about emergencies, weather-related closings, or other incidents via text, email, or voice messages. Please sign up for this important service annually on the College’s website at: http://www.ccsj.edu/alerts/index.html.</p>
